

## **Prayer**

By joining hands and closing eyes

O! dear god we pray you

Please come on the earth and make us wise

O! dear god we pray you

We pray you for the peace

We pray you for the love

We pray you for non violence

our happiness and good luck

We pray you for the peace

We pray you for the love

We pray you for non violence

our happiness and good luck

By joining hands and closing eyes

O! dear god we pray you.
