A Word to Students

1. They should take good care of their health and be robust and strong.
2. They should always be friendly with others in the school and outside.
3. They should avoid vulgarity in their talk and behaviour.
4. They should accept whatever work is assigned to them as their rightful share. They should face difficulties courageously.
5. They should always be ready to lend a helping hand at home to their parents, brothers and sisters and in school to teachers and companions and any unattended visitor they happen to meet on the school premises.
6. They should never cheat or be unfair at play.
7. They should stand up when a teacher or a visitor comes to talk to them.
8. They should adhere to truth at any cost.
9. They should never be cruel. They must know that cruelty is the trait of a bully while kindness is the mark of a gentleman.
10. They should respect the beauty of the classroom and the school premises and report any damage they may observe.
11. They should never hesitate to say 'no' when asked or tempted to do a thing which they know to be wrong.
12. They should respect the liberty and the rights of others.
13. Instead of lamenting and grumbling over the evils of the world, they should try to contribute their share in making it better.
14. They should not waste their time in idle gossip.
15. They should take pride in wearing the school uniform.
16. They should look upon people from all parts of the world as their brothers/sisters irrespective of their colour and creed.

General Guidelines for parents

1. Parents entering class rooms to see their children or teachers during school hours is strictly prohibited. They will meet the teachers at the reception only when required. Prior intimation through the Diary is appreciated.
2. Parents are requested to inform the school if there is any change in their address/telephone numbers.
3. Half day / short leave should not be asked for security reasons. In an emergency, written permission must be taken from the Principal. The child will be allowed to go home only with the parents/guardians.
4. Application should be addressed to the Principal through the class teacher.
5. Parents should sign the progress report within three days of its distribution.
6. Students who come to school under the care of attendants should not leave the school before the attendants arrive. In case of delay, they should report to the school office.
7. The name, class and section of pupils should be clearly marked on their belongings. Blazer, coat and jersey should also bear the name of the student.
8. A student returning to school after suffering from an infection or contagious disease should produce a Medical Fitness Certificate.
9. Attention of parents is drawn to the fact that criticism of the teacher or school in the presence of their children should be scrupulously avoided because it results in losing respect for their teacher, with the consequent failure to learn from them. It further retards his/her progress.
10. Parents are advised not to deposit the tuition fee through their wards.
11. Students must come in proper school uniform.
12. Parents - teacher meeting has be attended by parents/guardians.

SEWA ACTIVITIES-2025

SEWA (Social Empowerment through Work Education and Action)

SEWA aims at developing a wholesome. Development in intellectual, personal, social, emotional and social aspects is the sole aim of SEWA Club. Children engaged in this program are expected to be life-long learners. Through experiential learning, they develop into active, caring and compassionate humans. The experiential and constructive modes of learning emphasize the immediate personal experience of the learner and view learning as a life-long process.

SEWA takes learning beyond the walls of the classroom and even beyond the boundaries of the school by co-relating the authentic and the real world in meaningful and positive ways.

Main objective of SEWA is to foster strong mental and social health amongst today's children so that they can connect with their peer, their elders, the community, the environment, etc. Another main aim of the SEWA Projects is to direct children's mind to constructive activities with positive outcomes through the facilitation of creative and critical thinking, which would help them to develop self-confidence and self-esteem.
